About Nubra Valley

In the days of yore, the fertile **Valley of Nubra** formed a part of the overland route between **Tibet** and **Turkestan**. Once dotted with garlands of camel and yak caravans, this **Silk Route** glen is also known as the '**Valley of Flowers**' of Ladakh, and is amongst the greenest valleys in the region – ideal for your holiday break. One can understand why anyone would envy the flowering glen of Nubra valley. During early summer, Nubra is clad in endless bushes of yellow and pink wild roses, and once the valley is through with the season of roses around August, a carpet of wild lavender lies gently on it. Nubra is also a relatively warmer valley in Ladakh, and the comparatively benign climate helps yield better crops and fruits, making Nubra the 'Ldumra', or orchard of Ladakh. The romance of the Silk Route still hangs in the air as you cross the formidable **Khardung La** – The **highest 'motorable' pass** on the planet- which connects Leh and the Nubra Valley. The road from Leh rises steeply to meet Khardung La and then dramatically plunges into a whirlpool of bends and turns to gradually unfold itself along the rushing Shyok and the Nubra Rivers. Visit the Deskit and **Hunder villages**. The road connecting **Deskit** with the quaint little Hunder Village winds through a gorgeous stretch of **sand dunes**. You could spend a pleasant evening around these natural marvels that border a stream, and have snow-capped peaks for a backdrop. Keep your eyes open for the **double-humped camels** and Seabuck-thorn forest! The more adventurous ones could take a camel ride from Hunder to Deskit. We recommend on way to Nubra and in Nubra valley:

- * **Enjoy a hot cup of tea at army check post just after Khardung La.**
- * **Enjoy a Bactrian camel ride at Hunder (no fear of falling as these are two humped camels!).**

Please note : Prepaid number doesn't work in Leh & Ladakh. All postpaid numbers work only in Leh and only BSNL postpaid number works in the Nubra valley (Deskit-Hunder-Turtuk). However, in Turtuk and Pangong , one will have to get to certain place in order to get the network.

◆ Also, Nubra Valley and Pangong gets limited electricity due to its complex location (at times hot water buckets is provided for shower)
